

Summary of the Norman, OK Temporary, Annual, Wind, Real Estate & Festival Sign Code

Most signs require a City permit. Permit applications are available at City Hall, Building A, Permit Counter, 201 West Gray Street, or at www.normanok.gov.

I. TEMPORARY SIGNS

Temporary signs include signs, banners, balloons or similar devices. They may not be displayed for more than 90 days to announce a special event. They are allowed only in industrial, commercial, office, and multi-family zones, but not in low density residential zones. Cloth, canvas, cardboard, or other material may be used, with or without a structural frame. Locations are part of the permit application, typically shown on site plans and/or elevation drawings. Signs may only be located on the property where the event occurs. They may not be located in the public rights-of-way or in sight triangles (measured 30' @ intersections & 10' @ driveways along property lines).

A. Grand Opening Sign Provisions

1. Any temporary sign which calls attention to a new business. Signs otherwise prohibited may be allowed as long as they do not endanger public health, safety and welfare (subject to Code Compliance Officer approval).

2. Only one per business, only in conjunction with the time of first opening to the general public at a particular location, and limited to a 10 day period.
3. \$25 permit fee.

B. Temporary 1 to 90 Days

1. Signs must be securely mounted to the ground, behind a window, or on a wall.
2. Total display area may not exceed 100 square feet (all faces, all signs combined).
3. The number is limited to 2 signs per street frontage.
4. They may be permitted for up to 90 days. Such signs must then be removed for a period of time equal to the original permit. Permit fees are \$15 for 1-30 days and an additional \$25 for 31-90 days.

C. Temporary Signs Exempt from Sign Permit and Fee (examples)
